

DNREC – Surface Water Discharges

LEGAL NOTICE

NPDES Permits

The Department of Natural Resources and Environmental Control, Division of Water Resources, hereby gives notice that the **Pinnacle Foods Group LLC** has re-applied for a National Pollutant Discharge Elimination System (NPDES) permit (NPDES Permit No. DE 0000736 and State Number WPCC 3245E/74) to discharge treated sanitary waste water, industrial process waste water, and storm water to Whartons Branch, a tributary of Iron Branch and Indian River. This facility is located on County Road 331, southeast of Millsboro, Sussex County, Delaware.

On the basis of a preliminary staff review and application of lawful standards and regulations, the Department proposes to re-issue the referenced permit, subject to certain effluent limitations and conditions. The proposed determinations are tentative. Persons wishing to comment upon or object to the proposed determinations are invited to submit same in writing to the Surface Water Discharges Section of the Division of Water Resources, at the address listed below, no later than **4:30 p.m. on September 19, 2008**. All comments received prior to said date will be considered in the formulation of final determinations regarding this application.

A public hearing on the above will **NOT** be held unless the Secretary of DNREC receives a request within 30 days from this notice, or if the Secretary determines that a public hearing is in the public interest. A request for a hearing shall be in writing and shall state the nature of the issues to be raised at the hearing. It must also show familiarity with the proposal and a reasoned statement of the permit's probable impact.

The application, fact sheet, and permit are available for inspection or copies may be obtained by contacting:
